is a “Call to Arms” to all Paddlers via Kayak, Canoe or Paddle-Board  
to Discover and Explore the Mid-Cape’s Waters

(Osterville, Massachusetts) — *April 13, 2011* — An exciting day on  
Barnstable’s southern waters, featuring the aquatic sports of kayaking, canoeing and  
the growing, popular and challenging fun of the sport of paddle boarding, is set as part  
of a “Paddle for the Bays” on Wednesday, July 20, 2011 from 8:00 am—12:00 noon  
at Dowses Beach (East Bay Road) in Osterville, Mass.

Produced by the firm of *Stand Up & Paddle Cape Cod* of Osterville, the 2011  
“Paddle for the Bays” events will offer all participants — individuals, couples and  
families — opportunities to learn about and enjoy kayaking, canoeing and paddle-  
boarding while exploring the waters of East Bay, Centerville River and beyond.

It’s a “Call to Arms” to grab a paddle for fun and pleasure and to get closer to  
Barnstable’s waters. *Three Bays Preservation, Inc.* is hosting this summer event in order  
to expand awareness of its mission to *preserve, maintain, protect and enhance* the  
estuaries of Barnstable and to engage the community in its roster of projects and pro-  
grams to protect the bays of our town.

“Paddle for the Bays” is a day to join with family and friends in paddling the  
local waters — to learn the exciting sports of kayaking, canoeing and paddle-boarding.  
Participants may rent all equipment at the event site, or bring their own. Admission to  
“Paddle for the Bays” is \$15 for adults and \$8 for children (under 12) with all proceeds  
to benefit the programs of *Three Bays Preservation, Inc.* Tickets are available through
